Bid Amendment No. 3

Dear Sir/Ms.:

Please make the following pen and ink change to your Bid Package:

In Special Provision Section 105, General Scope of Work (Environmental Requirements);

delete the following sentences "Instream Work shall not be allowed between the dates of 9/16 and 6/30. (Instream work is allowed from 7/1 to (9/30)."

and replace with " Instream Work shall not be allowed between the date the ground freezes until 6/30/04" (Instream Work is allowed from start of construction to when the ground freezes.) Determination of "ground freeze" will be made by the MDOT Resident Engineer."

Consider these changes prior to submitting your bid on September 10, 2003.

Sincerely,

Bruce R. Carter
Contracts Engineer
